

## The Story Girl – L. M. Montgomery

Carlisle on St. Edwards Island may appear to the outside world to be a quiet, rural farming town, but to a group of 8 teens and tweens, its forests, fields, and orchards are places of enchantment, wonder, and adventure!

The Story Girl's captivating tales toss Bev, Felix, Cecily, Felicity, Dan, Peter, Sara, and herself into mystical, magical, and spiritual worlds filled with princesses, sailors, mythological beings, and cosmological loves. Through their real-life adventures, conflicts, and crises, the children struggle to find their voices, figure out who they are, and discover their places in the world – all while developing lasting bonds of friendship and love, during the mystical, magical, mesmerizing adventure of growing up.
